Dear Mr. Jennings:

On behalf of the SAG-AFTRA New York Local Seniors Committee, thank you for donating your time to share your knowledge with our members. It was an excellent seminar and we had a great deal of confident feedback. There's a great deal to cover involving housing and the law. Perhaps we can follow through with a sequel in the future.

We greatly appreciate your time and professionalism.

With Sincerest Thanks,

Elaine LeGaro & Tom Ligon
